

ROMSEY BAPTIST CHURCH HEALTH AND SAFETY POLICY

1 The church recognises and accepts its responsibilities for providing, so far as is reasonably practicable, a safe and healthy environment with a view to ensuring the health, safety and welfare of all those who use the church premises.

2 The church will, therefore, take all necessary steps within its power to meet its responsibilities **so far as is reasonably practicable** by, among other arrangements:

2.1 maintaining the church premises in a condition that is safe and without risk to health and providing and maintaining means of access to and egress from it that are safe and without such risks;

2.2 providing and maintaining furnishings and equipment which are safe and without risks to health;

2.3 assessing the risk to the health and safety of those who use the church premises;

2.4 ensuring the safety and absence of risks to health in connection with the use, handling, storage and transport of articles, equipment, furniture and substances;

2.5 the provision of such information, instruction, training and supervision as is necessary to ensure the health and safety of those who use the church premises;

2.6 the provision and maintenance of a proper environment for the church's employees, leaders, helpers and volunteers that is safe, without risks to health, and adequate as regards facilities and arrangements for their welfare;

2.7 arranging for suitable induction programmes and training; consulting, where necessary, with all employees, leaders, helpers and volunteers on the effectiveness and implementation of this policy; and any necessary changes.

2.8 ensuring that adequate funds and resources are made available for carrying out this policy.

3 The church's charity trustees have overall responsibility for health and safety. They have delegated duties for the fulfilment of this policy to Karen Fanner as the church's Health and Safety Officer. However, the charity trustees remain responsible for carrying out the implementation of the church's policy and for the issue of supplementary policy statements where this may be necessary.

4 The Health and Safety Officer will:

4.1 carry out appropriate risk assessments (these to be reviewed annually) of the church's premises and activities and report to the church's charity trustees as necessary;

4.9 ensure that access to and from emergency exits and fire equipment are not impaired and that corridors and stairs are kept free from obstructions other than of a temporary and partial nature.

5 All volunteers, ministers, employees, leaders, and helpers will:

5.9 ensure that all working equipment and materials used by them are in a safe and serviceable condition and that no cables or wires are left in such a position as to be likely to cause anyone to trip;
